WESTERN HILLS VIADUCT OPEN

The Western Hills Viaduct's lower level, including the ramp from southbound I-75 to Queen City Avenue, is now open to traffic.

However, the lower level's ramp to Harrison Avenue will be closed for approximately thirty days for maintenance repairs.

Detours will be posted to aid motorists.

Metro bus service that normally uses this area will be detoured around the closure. Riders should follow instructions posted at their stop or use the nearest stop outside the closure area.

Drivers are encouraged to help improve safety by reducing their speed and using caution when approaching the work area.
